

The German Social Accident Insurance Institution for the administrative sector (VBG) hereby certifies the successful implementation of an Occupational Safety and Health Management System.

The company

Steinmüller Engineering GmbH
Fabrikstraße 5
51643 Gummersbach

meets the requirements of systematic and effective occupational safety, based on the specific branch implementation „**AMS-Arbeitsschutz mit System**” for the implementation of the National Guidelines in line with **ILO-OSH 2001**, Guidelines on occupational safety and health management systems (International Labour Organization).

The assessment also proved that the **OHSAS 18001:2007** guidelines are implemented.

The assessment on April 13, 2018 was carried out in accordance with the “DGUV procedural principles for the assessment of occupational safety and health management systems”.

The scope of this certificate includes all business locations of that company.

The certificate is valid until April 30, 2021.
